

Tamil Academy of Louisville – 9/05/2024

This is Week #4– Monthly Test week.

- **Monthly Test:** Since this is the 4th week, students in **Grade 2 and above** will have monthly test. Usually, the first monthly test of the school year is project presentation (but please check student guide and follow communication from teachers).
- **Special note about monthly test weeks:** Monthly tests include individual project presentations and/or oral testing. Sometimes, these oral presentations take extra time, and some grades might get delayed for dismissal. If a grade is running late, we will communicate via WhatsApp message. Please watch for messages after 8:00pm to know if your child's grade will be delayed or not.
- **Grade 3 open house:** **Only Grade 3** will have an open house this week between 6:45pm and 7:00pm. Follow the same instructions (park in the upper parking lot and walk down). Parents arrive after 6:40pm and wait inside the building. We will gather all parents at 6:45pm and take them to Grade 3 room (after kids settle down and attendance is taken).
- **Registration:** **We are open to take new students in all grade levels. Registration closes on Thu, Sep 5th at 12:00 noon EDT.** No restriction on pre-school – they can join till Dec 31st.
- **Library:** Library has started. Last week several students took advantage of this wonderful enhancement opportunity! We encourage all students to visit the library! There are about 600 books available including comic books. Students can check-out up to 2 books. Only after returning them, they can check out more books. **Do you know, we also have several books for adults?** Visit TAL website (<https://tamilacademyoflouisville.com/>) for list of books available.
