- **Parent-Teacher Meeting:** It was nice to see most meetings have been completed and several of you provided comments after the meeting. The comments (see page 2) are testament to our belief that parents and teachers need to work together to raise the child in our language and culture. We are very pleased with the comments. Thank you.
- **Pongal Sports Day and traditional performances:**
Thank you for all those who contacted to perform at Pongal event. We believe this is good opportunity for adults as well to show case the traditional dances, so that children and learn about our traditions. As mentioned, any group made up of TAL Students, Teachers, Volunteers and parents can perform traditional dances (like Gummi). It is also good venue to showcase Silampattam or other traditional martial arts. Please contact Felix or Ramesh (preferably by sending an email to principals@TamilAcademyofLouisville.com), no later than Sunday, **Nov 16th 9:00pm EST**. First come first serve. Total duration for these performances can only be maximum of 30 minutes. Please indicate estimated number of minutes in the email.

The PT conference was really useful and helpful. Could able to share our feedbacks from both parent and teacher side.

The teacher addressed the meeting very nicely. She spoke about the positives of my child and insisted the areas to improve. I was satisfied with the teacher's comment.

Note: I really appreciate the teacher for providing specific comments for the homework in CTA. It helps a lot!!
