2025-26 Annual Day Prep

Dear TAL Parents:

We need your support to plan and prepare for Annual Day! Teachers need parents' help to plan and prepare creative programs that showcase students' learning. We are promoting all types of programs like Pattimandram, drama, group singing and word games that involve students' speech. These types of programs require more practice at home. We request parents to help with that.

Based on feedback from prior years, this year, for the first time, we were able to book Clifton Centre, a professional theatre, to host the Annual Day (on Sat, March 7th). Now, we have more time and a large stage to plan different types of programs.

Earlier we asked if any parent groups can conduct a drama (one of the art forms that is not being performed more frequently now-a-days). We didn't get any response. Now, we would like to ask if any students / parents are interested in showcasing traditional arts (ex: Parai). If so, please contact either Ramesh or Felix right away. We need to finalize the event (and thus the start / end times, snacks and other logistics) no later than Friday, Feb 6th.

We are very thankful for the parents and teachers who share Tamil Academy's mission to educate the next generation in our rich language and culture. We strongly believe upcoming Annual Day is a perfect opportunity for parents to get involved in that mission. Thanks in advance for your involvement.
