

## Tamil Academy of Louisville – 02/19/2026

### This is Week #24 – Monthly test week

- **Monthly Test:** Accelerated Grade1, Grade 2 thru 8 will have monthly test this week. As a reminder, monthly tests do have oral portion that is time consuming. If your child's grade is running late (that's beyond 8:15pm), we will post a note in WhatsApp.
- **Annual Day:** The survey has been closed. About 15 families have **not** responded. Due to space limitations and students need to be seated grade-wise we have not finalized whether or not to extend invitation to guests. Stay tuned.
- **Note about Clifton Theatre Hall:** **No food or drinks are allowed inside the theatre.** We understand our school has lot of young children. We will provide snacks / drinks during the break to be consumed outside the theatre. Please plan accordingly. Thanks for your understanding and support.
- **New Dismissal process is coming soon:** Last week, we did limited testing with new software, and we will continue to do some more testing this week also. We will send out separate communication about this. Thanks in advance for your support.
- **Yearend Final Test / Certificate Distribution:** The last day of academic year will be Thursday, April 23<sup>rd</sup>. Note that, ALL grades from KG through 8<sup>th</sup>, will have Final test (worth 50% of passing marks). We have started planning for 8<sup>th</sup> grade graduation and certificate distribution ceremony. More information will be shared as soon as venue and date/time are finalized.
